Gibson County Commissioners Wheel Tax Call List

The Gibson County Commission is considering a 100% hike in the wheel tax from $35 to $70. The 4 highlighted Commissioners voted No in March. Please call them and tell them THANK YOU. There will be a final vote on May 10. Please call your Commissioner and ask them to vote NO. Tell them you make hard decisions about your family budget each month and you expect your elected representatives to make hard decisions about the county budget. A Wheel Tax Hike is a PAY CUT for taxpayers.
